Stage

100

STEP ONE: Who are you thinking of giving a GREET to?

What is this person's first name?

there is no need to be formal. Nicknames work too.

What is this person's persuasion?

☐ Man ☐ Boy ☐ Girl ☐ Woman

And when is this person's birthday?

month

day

OK! Let's create a Greet!

This information is used exclusively for organizing the next couple of steps in this process. It won't be sold or shown to anyone! We promise!

FIG. 5

Stage

STEP TWO: Think of some words for the occasion.

Choose a type style...

1 Congress

Write up to 100 words...

Senders personal message goes here.

And finally, sign your name...

Senders Name

A card which accompanies the Greet CD you are about to create will look alot like this on the inside

Receiver's Name
Senders personal message goes here

Senders Name

OK! Let's get on with it...

These are the customizations which will make your Greet truly unique.
Take some time, and have some fun!

FIG. 6

Stage

STEP THREE: Personalize the GREETINGS

Happy Birthday
Receiver's Name

select a theme...

play some music...

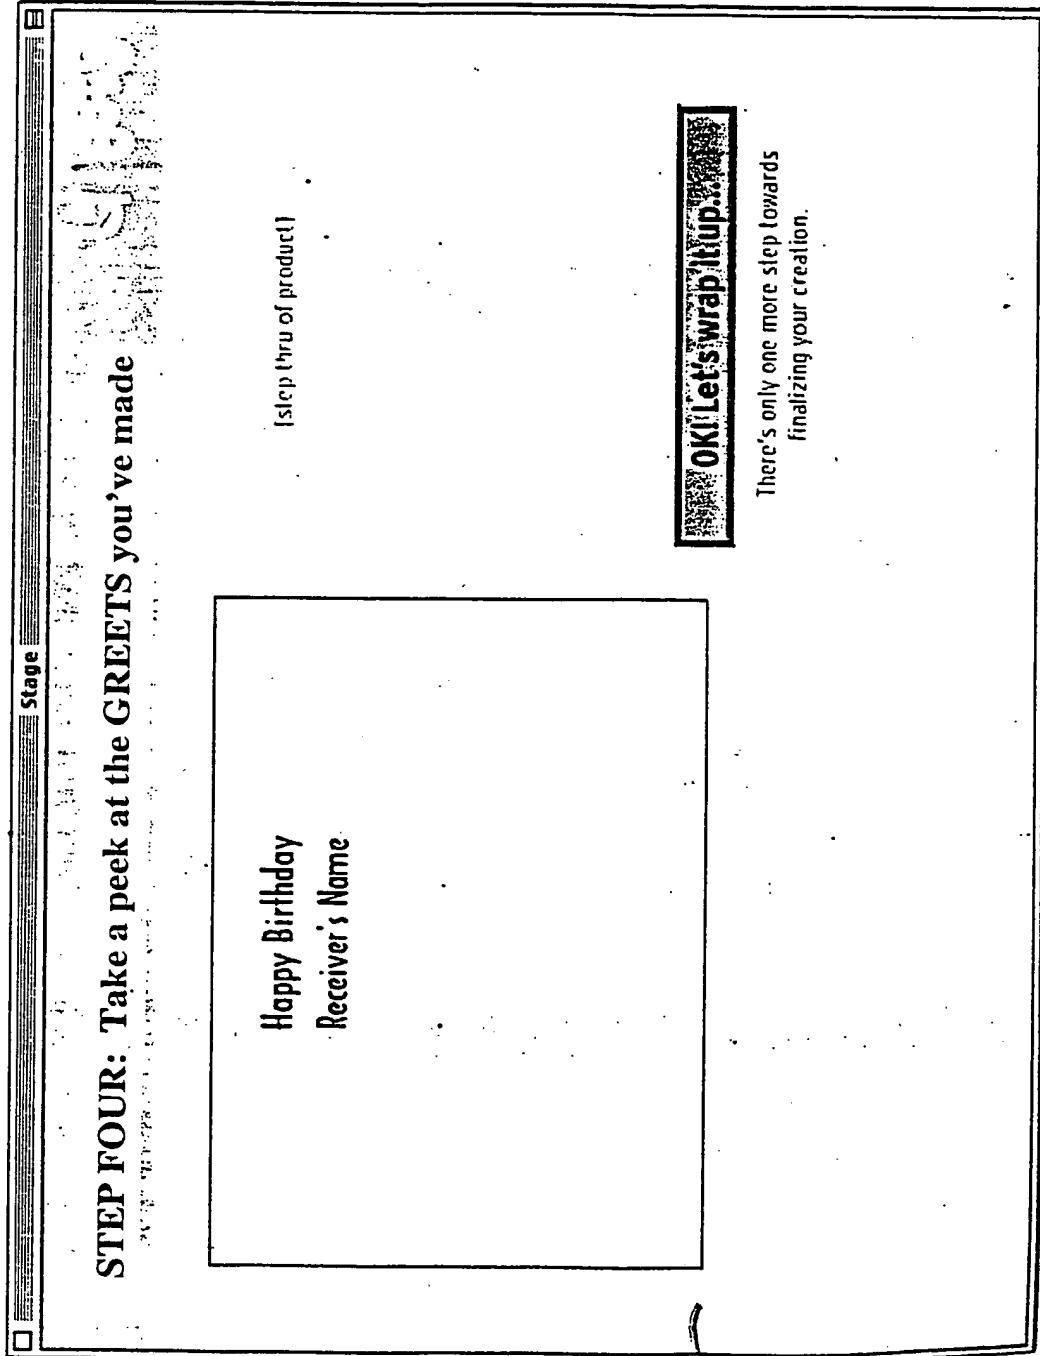

add some favors...

cue up a video...

OK! How's it going to look...

Of course we couldn't possibly show you the actual experience, but you'll get the idea.
